# Orders

All orders are managed inside the PG Orders Portal.

Inside the portal you can view your real time status on jobs, download invoices, place re-orders and check status and tracking for all jobs.

Your balance and rewards points balance will show inside the portal on one screen.

Re-orders can easily be placed by going into your PG Orders Portal Page and clicking on the “Buy it again” button doing so will allow you to re-order the same product. You can also add notes to the order if you have any minor changes for production.

Project Name	Qty	Sub total

<b>Sales Tax</b>		\$0.00
<b>Total</b>		\$2500.00

Order Notes:

View RTS

Inside of your Orders page you can click on “VIEW RTS” to see your order in real time.

What separates the promogator platform from any online retailer is the experience. We thrive on not only providing you with the best pricing possible, but our platform delivers the best experience in the world for custom printed products.

### Step 1: E-Proof

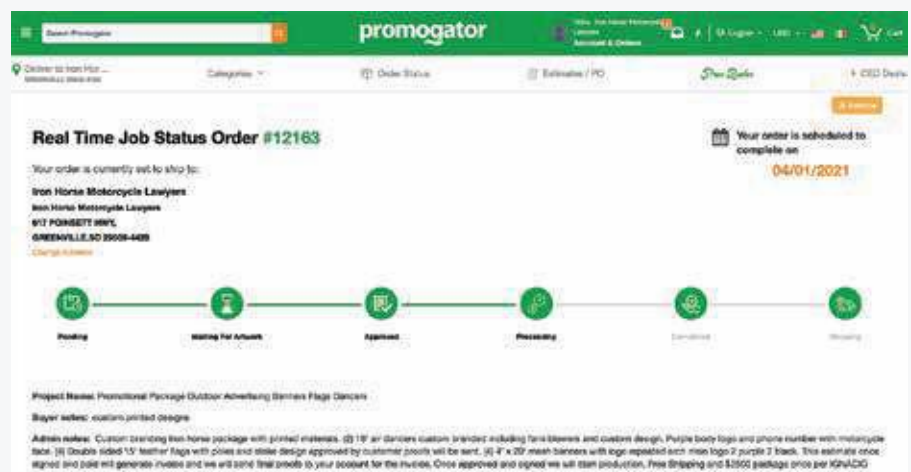

### Step 2: Real Time Photos

### Step 3: Mass Production

Aside from a pre-production electronic proof we send you a real time photo before any job is printed this is to insure you are getting exactly what you pay for!

No surprises.

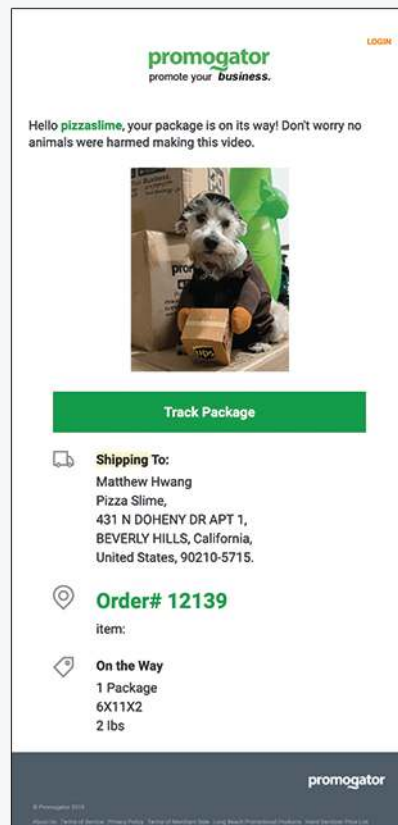

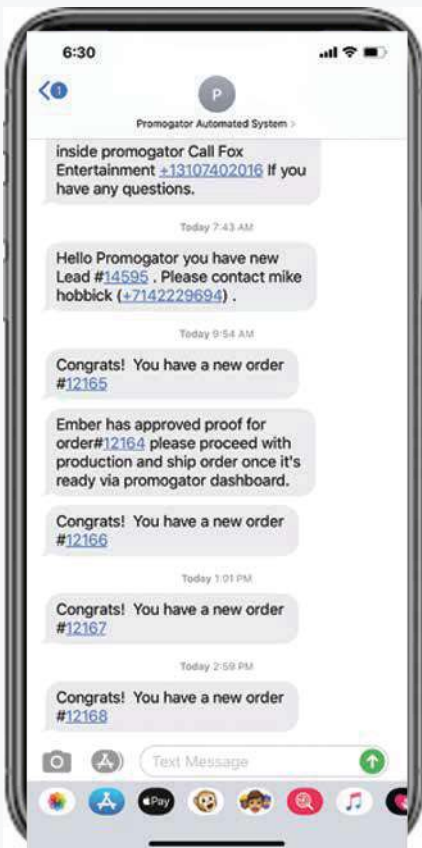

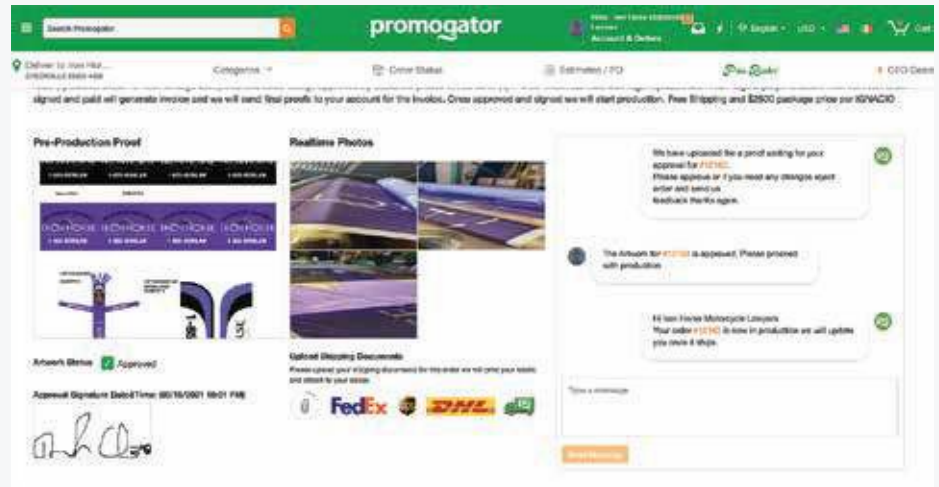

You can change your shipping address, track shipment, upload artwork and approve proofs all in real time.

Our system keeps you informed of your order in real time. We do not start printing any order until you approve your order.

Real Time Photos are sent once we start production on your orders.

The Promogator platform sends you SMS, Email and in-app notifications for all status changes.

Our system automatically sends you an SMS, Email & In-app notification when the status of any job changes.

When your order is ready for pick up or it has shipped you will also receive the tracking information all from inside the promogator platform!

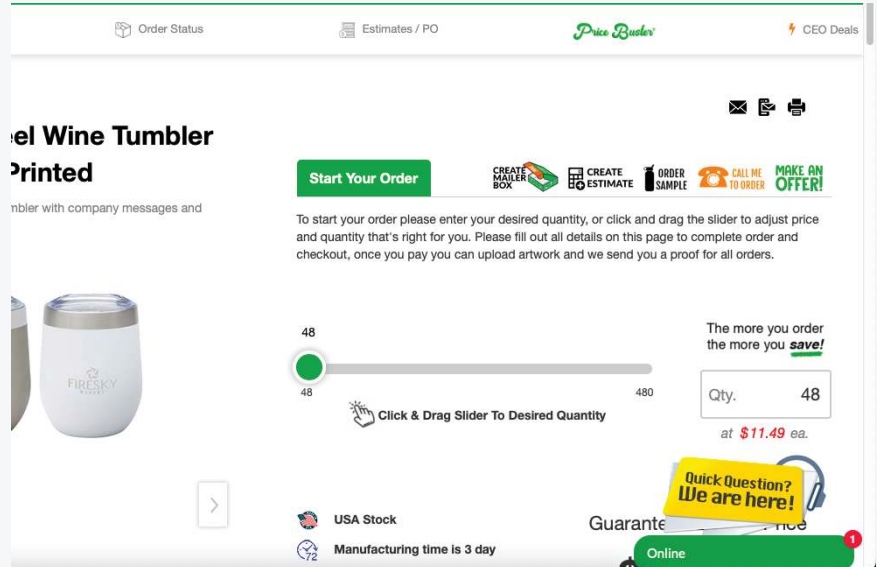

promogator

# MAKE AN OFFER!

We allow you to make an offer and made your own price on all of our products inside promogator

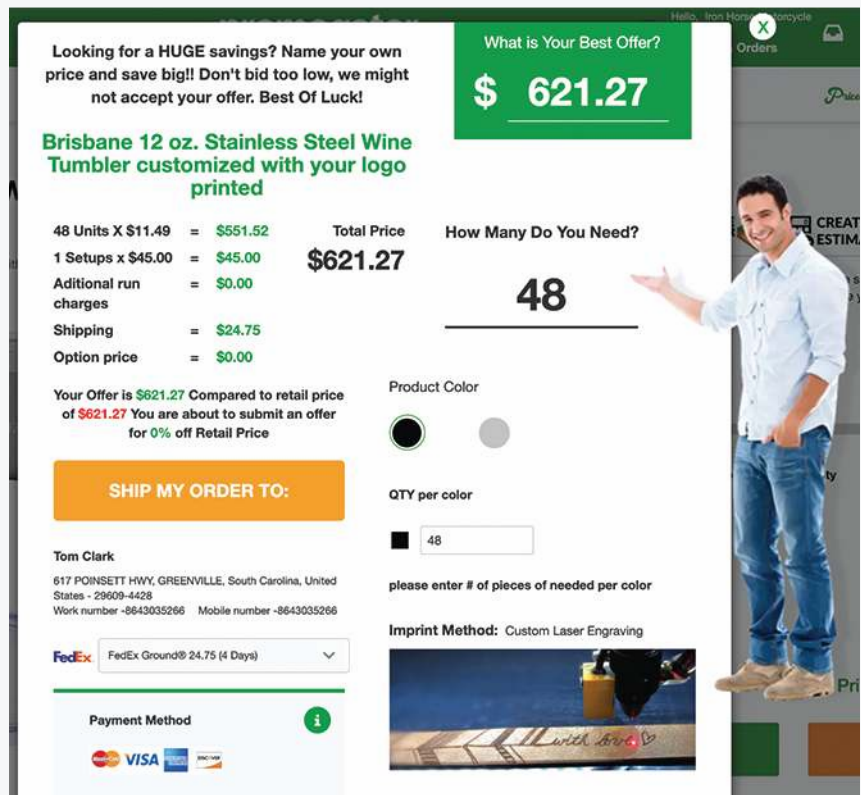

Inside the product detail page of any item you will see an icon appear for make an offer. If you open this function you are able to negotiate and name your own price. You will be charged for the offer you submit if we accept that's all you pay, if we don't you receive a full refund for the offer you placed.

Give it a try today and save on your next order.

Our price buster feature allows you to price match from a competitor online price or estimate from another vendor.

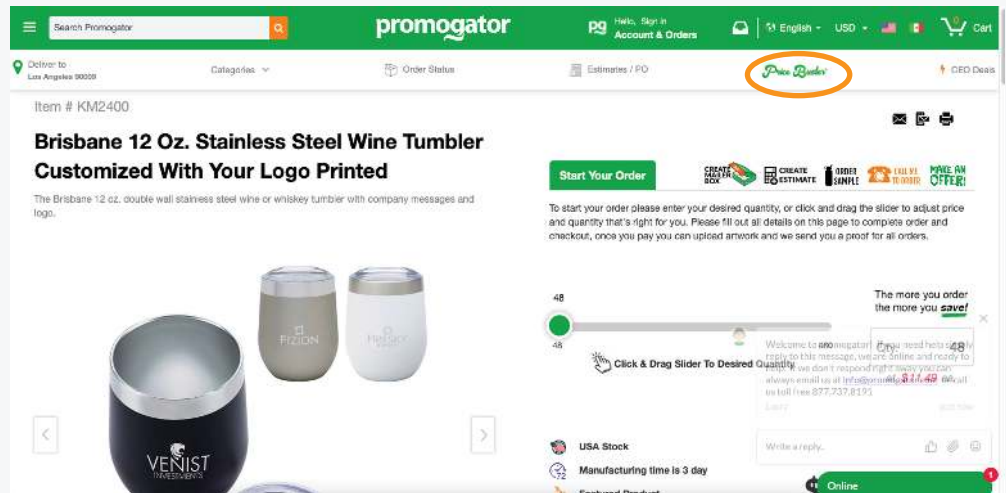

Price buster is a self service tool that will have you input the order for price match and upload proof if accepted you will be issued a pg order#. Please remember to list all shipping and setups charges to accurately price match from any competitors when submitting

# Price Buster®

We created an online tool to price match any online vendor or company for products sold on our platform

Our price buster feature allows you to price match from a competitor online price or estimate from another vendor.

Price buster is a self service tool that will have you input the order for price match and upload proof if accepted you will be issued a pg order#

Please remember to list all shipping and setup charges to accurately price match from any competitors when submitting. You will insert payment for order when submitting a price buster and when we approve it you will be notified.

A screenshot of the Price Buster submission form. It features the 'Price Buster' logo at the top. The form has several fields: 'Product URL: \*' with a text input field, 'Competitor Name: \*' with a text input field, 'Product Name: \*' with a text input field, 'Quantity:' with a slider ranging from 1 to 10000 and a 'Qty.' input field with the value '1', 'Color:' with a green color swatch, 'Competitor Unit Price: \*' with a '\$' symbol and a text input field, 'Competitor Setup Fee: \*' with a '\$' symbol and a text input field, and 'Competitor Shipping Fee: \*' with a '\$' symbol and a text input field.
